"The TJGT has simply done more for expanding the exposure of High School Golf than any Jr. Golf Organization I know. Their commitment to educating coaches on elite Jr. Golf, the AJGA system & providing High School players the opportunities for national exposure is second to none. Their staff of experienced High School Coaches on the course brings a level of maturity and assistance to all players & parents. The bottom line is my team gets better each year, specifically my younger players by playing the TJGT. The tour has played a major role in allowing my teams to contend for District, Regional and State Championships each year.

- Texas High School Coach (Multiple District, Regional & State Championships)

The TJGT Tour is a blast. We play great golf courses, you get great college exposure from a lot of great schools and coaches. I couldn't believe all the college coaches who come to the invitational events as well as the normal open events. WOW. No other tour outside the AJGA I've played draws the coaches like the TJGT. The tour is one of the most competitive tours I have ever played on because you have all of the best players from the around the country and other countries around the world. Most of all though it is a very well runned organization. They just flat out treat you right. I'm proud to say I play the Tx. Jr. Golf Tour.

- Cameron Scitern (2009) Caldwell High School

"The Texas Junior Golf Tour has been a great recruiting tool for me over the last few years. I have been able to see the best players from Texas, Mexico and other surrounding states."

- Big XII & SEC Golf Coach

"The NCAA does not endorse or affiliate with camps or services. The parent/guardian of a prospective student-athlete should ensure that programs are in compliance with NCAA bylaws."

(MINIMUM AGE FOR PLAYERS IS 8 YRS AT START OF EVENT)

An Exemption is a guaranteed slot into a tournament. The player must comply with TJGT Membership & tournament fees. See www.tjgt.com All exempt players will receive full membership gifts, benefits and privileges. These tournaments are nationally ranked Golfweek events with multiple AJGA Performance Based Entry (Performance Stars & Exemptions) with college coaches in attendance. The majority of the events will consist of a banquet with a college coach speaker and Question & Answer period. (Performance Stars & Exemptions)

Deadlines: A player earning a TJGT/iAlliance exemption thru Starburst must RSVP to Mr. Dave Jones or Coach Lynn Monzingo via email or phone NLT Thrity (30) calendar days prior to the event to state their intention of playing. The deadline is strictly enforced due to tournament fields “filling up” quickly. This policy is similar to AJGA Invitational guidelines.
